

I, \_\_\_\_\_ agree to let \_\_\_\_\_

**Name of parent or guardian**

**Name of student**

bring their personally owned computing device for instructional use in Lee County Schools (LCS). I understand that the student named above will be permitted to use their personally owned device, subject to the conditions in this document.

I understand that if I agree to allow my student to use their own device that Lee County Schools is not responsible for any device or data loss, theft, damage or other associated costs of replacement or repair incurred during the school day or at home as a result of participation in this program. I understand that LCS Staff will be unable to store, support or troubleshoot student owned devices. The student named above will take full responsibility for the device and will appropriately secure all devices when not in use.

LCS uses technological measures such as filtering to promote internet safety. Filtering limits students' ability to access harmful internet sites from any device connected to the LCS network, but only when this equipment is used in school on the LCS network. Access through cellular networks does not provide the same measures of filtering. Students should only use the LCS network (not private cellular service) for internet access while on LCS property.

I have verified my student is aware that all aspects of the Lee County Schools' **Technology Responsible Use Policy** apply to the use and care of their personal device while on LCS property or while involved in any LCS sponsored event/activity.

I understand that the purpose of allowing my student to use their own device is to participate in teacher approved activities in support of the LCS curriculum. Uses of these devices for unrelated activities beyond or outside the LCS educational program are prohibited.
