PARENT - STUDENT HANDBOOK

2020-2021

PREFACE

This is your handbook for the school year. It is an important guide for you as a member of the Broadway Elementary School Student Body.

Each student and parent should be familiar with the contents of this handbook .

Students are here for one purpose and that is to learn. Education is the one thing that no one can take from us. It helps us understand and appreciate the world in which we live.

Rules and regulations are necessary for harmony in living and working together. Students who have reached school age are old enough to apply the simple test of the “Golden Rule” to their lives and to be responsible for their behavior.

In order to have the kind of school we all desire, we must establish a mutual trust. This is achieved with understanding and good communication. Get to know Broadway Elementary School and its staff and help build a positive relationship with the school.

School Philosophy

The staff at Broadway Elementary School believes that all children can learn. The primary purpose of the school is to provide its students with a safe environment for intellectual, social, emotional, and moral growth. The school program reflects consistency of mission and design with system curriculum guidelines and encourages a spirit of commitment to excellence and cooperation among school staff, students, parents, and community.

Lee County School Board of Education Mission Statement

The Lee County Board of Education mission is to create a quality partnership in education with students, parents, schools, and community which develops lifelong learners.

Broadway Elementary School Mission Statement

Broadway School's mission is to provide our students a safe and nurturing environment where they are actively engaged in learning. Different instructional approaches, particularly the use of the AVID System, are used to meet the unique needs of each in helping them to become lifelong learners. Our school, parents, and community help to enable each student to make tomorrow better today.

Broadway is an AVID (**A**dvancement **V**ia **I**ndividual **D**etermination) Elementary School. AVID's mission is consistent with our school's mission in that we both strive "to close the achievement gap by preparing all students for college readiness in a global society."

Vision: We Make Tomorrow Better Today!

Welcome to Broadway Elementary School Home of the Wildcats

We are excited to begin the 2020-2021 school year with you and your child. This school year will mark the seventh year of Broadway being an AVID Elementary School. We are the only school in the district to be following AVID's mission in grades K-5th. AVID's mission is "We can close the achievement gap by preparing all students for college readiness and success in a global society."

In the pages that follow you will find our policies and procedures that we follow on a daily basis. We encourage you to contact the school for any and all concerns. Please contact us as any concern arises at 919-258-3828.

SCHOOL DAY

Breakfast served	7:30-7:55
Morning Duty for Early Arrivals	7:30-7:45
Instruction Begins	8:00
Morning Announcements	7:55
Tardy Recorded	8:00
Dismissal	2:30

Walking students and car-riders should not arrive at school before 7:30.

The safest route for walking students is to use the front entrance of the school from Main Street at the cross-walk beside the auditorium in the mornings and afternoons. Afternoon walkers must leave in an orderly fashion and follow the directions of supervising staff. All students crossing Main Street **must** use the crosswalk area. Parents that walk with their children will wait at the playground gate or by the main entrance to the auditorium lobby for their children.

ARRIVAL BEFORE THE FIRST BELL

Students who arrive before 7:45 and are not going to breakfast must wait in rooms designated for their grade level. A teacher will be on duty at 7:30 to supervise these students. Parents are not to go to the classroom in the morning because the staff uses this time to organize for the day. Explain to your child that the principal does not allow visitors in the classrooms unless permission is given for a special purpose. Monitoring of visitors in the halls and classrooms is always a top priority. We encourage parents to visit our school and become part of our team to help our students. We require that this

visitation take place by checking in at the office and registering. (See section on Visitors). If you are interested in setting up a parent conference with the teacher you can do so via e-mail or phone call.

VISITOR PARKING

Visitors may park in the circular drive between 8:00 am and 2:00 pm. All cars must pull up as far as they can behind the Lee County Sheriff's vehicle. On days the vehicle is not present all cars are to pull as far up past the auditorium as possible. All cars need to be moved from the circular drive by 2:15 pm for our dismissal procedures. Visitor parking is available on Main Street and Mansfield Drive.

VISITORS

ALL VISITORS must first report to the office for recognition and registration. Visitors become guests only with the knowledge and consent of the principal or their delegate according to their judgment regarding the purpose of the visit and the possible influence of the visitor's presence. Parents are welcome to come for a conference with teachers after 2:30 but should arrange for the conference by written note or by calling the school office to set up an appointment.

CAR RIDERS

The designated student drop-off area for parents is the U shaped drive in front of the school. Students may then use the sidewalk to enter the school. **Please remain in one line in your vehicle and pull all the way forward to the teachers assisting with drop off.** We ask that your child unloads from the passenger side of the vehicle to ensure their safety. Any student who is a car rider and wishes to eat breakfast **MUST** arrive in the cafeteria between 7:30 a.m. and 7:55 a.m.

When school is dismissed in the afternoons students must use the sidewalk leading from the school to the pick-up area. Please be prompt in picking up your child after school. Remain in your car while waiting for your child. A staff member will direct/assist your child to your vehicle. All students will be loaded at designated spots and assisted by staff into the vehicle. If you arrive to pick up your child after 3:00 pm you will need to sign them out from the front office. All students are expected to be picked up with a car sign hanging from the rear view mirror. Families that inform the teacher prior to the start of the school year that their child will be a car rider will receive two car signs free of charge, as will families that need to make a change throughout the year. If you choose not to receive signs you will need to send in a note to your child's teacher stating that your child will be a car rider, as well as stating who will be picking your child up from school. Cars that enter the line without a car sign or note will be asked to go to the office for an ID check before they are allowed to pick up students.

CAR-RIDERS ARE NOT ALLOWED IN THE BUS PARKING LOT AT THE REAR OF THE SCHOOL.

TARDIES

Students who are not in their classroom when the bell rings at 8:00 a.m. are considered tardy. As per Lee County School's Policy 4400 on Attendance, no student shall be tardy in his/her arrival for school or class without permission or excuse by school officials. No student who attends school during any portion of any school day shall thereafter leave the school grounds prior to the end of the school day without permission or excuse from school personnel. If a student is tardy, he/she must report to the office with a parent to sign in to school.

The following are the discipline procedures for Broadway students regarding tardies:

4th Unexcused Tardy/Early Pick Up Each Quarter: Letter given to Parent upon drop off and referral to our social worker

5th Unexcused Tardy/Early Pick Up Each Quarter: Up to one day ISS

CUMULATIVE RECORD LAW

(Family Educational Rights and Privacy Act of 1974)

Any parent or guardian desiring to inspect a student's permanent school record should make a request through the principal's office. Within one week after the inspection request is made, an appointment will be made and a school official will be present to review and interpret the record. If an individual should object to any part of the record, such an objection should be given in writing to the principal. A parent or legal guardian has the right to a hearing to challenge the validity of the contents of the record.

NORTH CAROLINA COMPULSORY ATTENDANCE LAW AND LEE COUNTY REGULATIONS

Every parent, guardian, or other person in this State having charge or control of a student between the ages of seven and sixteen years shall cause such student to attend school continuously for a period equal to the time which the public school to which the child is assigned shall be in session. No person shall encourage, entice or counsel any such child to be unlawfully absent from school. The parent of a child shall notify the school of the reason for each known absence of the child, in accordance with local school policy.

The principal shall have the right to excuse a child temporarily from attendance on account of sickness or other unavoidable cause which does not constitute unlawful absence as defined by the State Board of Education. Lee County Board of Education Attendance Policy states a student must be in attendance 164 school days to be considered for promotion.

Attendance

School attendance plays an important role in the success of your child. Please make every effort to ensure your child is in school. In order to be considered in attendance, a student must be present for one-half of the school instructional day. Lee County Board of Education Attendance Policy states a student must be in attendance for 164 school days to be considered for promotion.

Lawful Absences

The principal shall have the right to excuse a student temporarily from attendance on account of sickness or other unavoidable causes. Listed below are the valid lawful excuses for temporary non-attendance of a student at school:

1. Personal Illness or Injury
2. Quarantine
3. Death in Immediate Family
4. Emergency medical or dental appointments
5. Religious Observation
6. Court or administrative proceedings
7. Educational Opportunity with prior approval of Principal
8. Miscellaneous causes of an emergency nature approved by the principal

Unlawful Absences

For students between the ages of seven and sixteen, and all other students who are entitled to attend public school and who have enrolled in a public school, an unlawful absence is defined as:

1. a student's willful absence from school with or without the knowledge of the parent; or
2. a student's absence from school for any reason other than those listed under "Lawful Absences"

Parents who refuse to comply with the health regulations of a community, such as compulsory vaccination, thereby causing a student to be excluded from the school, or parents who permit a student to stay at home or to be employed in any way contrary to the Child Welfare Law shall be responsible for the non-attendance of the student.

Perfect Attendance

Each quarter we will recognize students with perfect attendance at the quarterly awards ceremony. In order for your child to receive the award they must be present **for the entire school day, every day**. ANY instance of being absent, arriving to school late, or being signed out early will cause a student to not receive a perfect attendance award.

Procedures to Follow after Being Absent

Each student will be required to present a written note from their parents or legal guardian to their teacher. The note should contain the following information:

1. Student's first and last name
2. Dates that the student was absent
3. Reason why the student was absent
4. Signature of the parent or guardian (parent may be called to verify the note)

Students who fail to bring a note with the proper signature within three days of their absence will receive an unexcused absence. Students who present false information or a false signature to the schools will receive an unexcused absence.

Students with 10 or more absences will receive a letter from the school requiring a doctor's note for any further absences.

EARLY DISMISSALS

If it becomes necessary for a student to leave early, they must bring a note from their parent to their teacher, stating the reason and dismissal time. In all cases, regardless of the reason, the pupil must receive the approval of the principal or their designee. All written statements signed by parents will be kept on file for the duration of the school year. The early dismissal note from the parents will let the student's teacher know ahead of time that you plan to pick him/her up early and will give the teacher time to give them any assignments necessary before they leave school. **When parents come for their child, they must report to the office using the main entrance and sign out the child. The office staff will**

then notify the teacher that the parent has come for the child. Due to the busy schedule at the end of the day we ask that all early dismissals for students take place before 2:15 pm.

SICKNESS DURING THE SCHOOL DAY

If a student becomes sick at school, parents will be notified by the teacher, nurse or school office. Parents are responsible for providing transportation for their child when they are sick. School personnel and friends are not allowed to drive the student home. One parent or guardian will be contacted before the student leaves school unless emergency conditions prevail. Emergency names and phone numbers must be on file with the school in the event parents cannot be contacted. **Please notify the main office of any phone or address changes during the year.**

If a student is sent home because a contagious infection is suspected - conjunctivitis, impetigo, scabies, etc. - the students **must** present a note from a doctor or clinic stating whether or not the student has the suspected infection and when he/she can return to school. (In most cases, the student must be treated for 24 hours with the prescribed medication before he/she returns to school unless otherwise indicated by a doctor.)

ADMINISTRATION OF MEDICATION DURING SCHOOL HOURS

If medication is to be given during school hours (such as Ritalin, asthma medication including inhalers, Tylenol as needed for chronic headaches, antibiotics) for either prescription or non-prescription medication, the following is required:

(a) a "Request for Medication To Be Given During School Hours" form **must be completed and signed by you and your child's doctor**

(b) Medication must be in a labeled bottle/container.

All medication should be brought to the office by the parent, along with the medication form or the note from the doctor for short-term medication. All medication and notes will be kept on file in the school office. The use or possession of non-prescription drugs or prescription drugs of any kind by pupils is forbidden on the school grounds or at any school function except under supervision of the school's program, "Administration of Medication During School Hours," as outlined above.

If you withdraw your child from Broadway during the school year, you will need to contact the front office 24 hours in advance so that we may have time to prepare all records for transfer to the next school.

CARE OF SCHOOL PROPERTY

Good school citizens should take care of all school property. This includes desks, doors, walls, walkways, textbooks, and library books. Cooperation is expected in keeping our classrooms and all other rooms and grounds free from paper and litter. Students / parents must compensate the school for damage to school property.

TEXTBOOKS/LIBRARY BOOKS/LAPTOPS

Textbooks, laptops and library books are issued to students by Lee County Schools and Broadway Elementary Schools, and are considered school property. Students **must** pay for lost or damaged textbooks, supplementary books and laptops. Students are allowed to check out library books on a regular basis. Students will be expected to pay for any lost or damaged library books.

INSURANCE

The Lee County School System provides insurance for students at no cost to the parents. The insurance provides a limited benefit accident insurance plan for all students in Pre-K through 12; and student athletic participants in grades 7 through 12. Details regarding coverage and filing claims can be found on the Lee County Schools website (www.lee.k12.nc.us)

All injuries occurring at school **must be reported to the teacher immediately** following the accident. **PLEASE READ ALL INSURANCE INFORMATION SENT HOME TO PARENTS BY STUDENTS.**

PERSONAL PROPERTY

Students, not the school, are responsible for their personal property. Cell phones, ipods, ipads, and other electronic devices, etc, are not allowed at school. Toys, cards, and any other items that threaten to interfere with the educational environment will be confiscated and turned over to the office. Parents may make arrangements to pick up the item from the office.

Students should **put their name on their coats, wallets, purses, tennis shoes, notebooks, etc.** This will help identify an item if it is found.

No student is permitted to bring goods to school for the purpose of selling or trading.

LOST AND FOUND

Any student missing personal items should check in the office or the clothing rack near the cafeteria to see if their items have been turned in. All personal items found at school should be turned in at the office. Any clothing items will be turned into our Clothing Corral Club in which the items will be on display for students to claim.

SCHOOL VOLUNTEERS

The Lee County Board of Education approves and encourages involvement of volunteers in the schools. The School Volunteer Program exists to:

1. provide more individual attention for students
2. increase students' motivation for learning and improve students' self-esteem
3. enrich students' experience beyond what is available as provided by salaried staff
4. relieve teachers and other school staff of various non-teaching tasks
5. provide an opportunity for interested citizens to contribute to school program
6. increase positive school-community relations

We encourage parents to become involved in the School Volunteer Program. Some areas where volunteers are needed are tutoring students, library assistance, Book Fair, field trips, and special PTO activities. To be a volunteer, it is necessary to complete an authority to release information form (background check).

It is a good idea for parents and children to have a plan in the case that inclement weather should cause school to be closed during the day. Please listen to the local radio stations and TV stations for information concerning closings.

PARENT-TEACHER CONFERENCES

Your interest and support at home and school are important to your child and greatly appreciated by all of us here at school. Let's work together to help your child achieve to the best of their ability.

Parents of students in grades K-5 will be expected to come for a conference by the end of the second grading period. Parents of elementary students should at no time be in doubt of their child's progress. If you feel that a conference is necessary, please call the school (919-258-3828) for an appointment with the teacher. Special conferences are held Tuesday through Thursday between 2:30 and 3:30. Teachers planning conferences on work days will notify parents of the dates and times available. **TEACHERS CANNOT LEAVE THE STUDENTS DURING THE DAY FOR CONFERENCES.**

REPORTING SYSTEM

Mid-term Progress Reports will be issued mid-way through each quarter. Report cards will be issued every nine weeks. In grades K-2, S, N, and U will be used to report some of the students' progress. S= Satisfactory Progress, N= Needs Attention, U=Unsatisfactory. Grades K-5 will use the following letter grades: A = 90-100, outstanding work; B = 80-89, good work, C = 70-79, average; D = 60-69, below average; F = 59 or below, failing.

DISCIPLINE AND RULES

Disciplinary measures are behavior interventions that focus on ending unwanted behavior. Actions will be progressive and measured to take into account the circumstances, age of the student, and past disciplinary record. Disciplinary actions can include, but are not limited to, warning; call to parents; time out; loss of privilege; assignment to the school Behavior Improvement Program (BIP); suspension; and suspension from the bus. Actions that are rule violations and are generally considered to bring on disciplinary actions include:

- Disruptive, loud, disorderly behavior
- Bad language
- Being out of proper areas
- Disrespect to staff, students, self
- Not following directions of staff or posted rules
- Inciting others to misbehave
- Failure to keep hands, feet, etc. to self
- Forgery, lying, misrepresentation
- Bringing toys and non-school objects without permission
- Endangering safety of self or others
- Intimidating or aggressive behavior
- Stealing
- Fighting
- Violence
- Weapons

Disciplinary measures will be in accord with the Code of Student Conduct of Lee County Schools.

4X4 Discipline Form

A 4X4 discipline tracking form will be used in all classes and on all school buses. This form will provide documentation for all students not following clearly defined procedures. This form provides suggestions and steps for redirection prior to writing a student referral. For each violation, the teacher OR the student will record the date, time, and location of the incident. The teacher OR the student will also record what the student was doing that was inappropriate. By the 3rd Incident it is mandatory that the teacher contact the parent regarding the child's behavior. Upon the fourth documented incident, the teacher will contact an administrator. At this time an administrator will utilize the Lee County Student Code of Conduct to administer a consequence for the child's behavior. Things that are reported immediately to administration and are not part of the 4 X 4 are things such as assault and bullying. All future infractions for a child that has completed a 4 X 4 for the marking period will be placed on a referral document and sent to administration for issuing a consequence following the Lee County Schools Student Code of Conduct. New 4X4's start for EVERY student at the beginning of a new 9 week marking period.

BEHAVIOR IMPROVEMENT PROGRAM

The Lee County School System is committed to implementing behavior improvement programs for those students who need to be provided opportunities to develop the degree of self-discipline to take advantage of the academic program of the school. Such programs provide students with assistance in examining their behavior and the consequences of their actions. A behavior improvement program provides a practical alternative to out-of-school suspension and is an important component of the school's overall approach to discipline. At the elementary level the program is a Behavior Intervention classroom staffed by a Behavior Specialist (Instructional Assistant). Habitually disruptive students will be assigned to the program by school administrators. Classroom teachers will provide appropriate assignments, counselors will provide counseling services as needed, and the students will be provided the opportunity to make-up academic work.

BUS RIDERS

Evidence supports the fact that children creating problems on buses distract the bus drivers and inhibit their performance-thus causing accidents. These problems must be dealt with in a uniform manner. The Lee County Board of Education hereby adopts these procedures as policy for bus students. It is to be understood that the measures described are the minimum actions to be taken. School administrators may use their discretion to increase punishment as needed.

At Broadway, we will strive to make sure that every second your child is on a school bus they are completely safe.

Because we want every child to be safe on the bus, we enforce the following rules:

1. Show respect to driver, other passengers, and bus.
2. Stay in your assigned seat: back to back/ seat to seat

3. Keep your hands and feet to yourself.
4. No eating and drinking on bus.
5. Be at bus stop on time.
6. An adult must be present at drop off if K-2 parent slip is signed and returned. (If a driver brings your child back to school, a school incident referral form will be submitted and the following rules will apply.

BUS DISCIPLINE

- A. First Offense - written warning given to students, placed on file, and parent notified (returned with parent signature).
- B. Second Offense - 1-3 school days bus suspension with written or oral communication with parents.
- C. Third Offense - 3-5 school days bus suspension with written or oral communication with parents.
- D. Fourth Offense - ten (10) school days bus suspension with written or oral communication with parents with notification that students will be denied bus privileges upon fifth offense.
- E. Fifth Offense - bus suspension for remainder of school year and notification to the parent.

It is further understood that the offenses listed below carry bus suspensions and also suspension from school for secondary students. Elementary pupils will be dealt with at the discretion of the principals.

- (1) Fighting on bus (5 days out-of-school suspension)
- (2) Other matters which present imminent danger to driver/passenger (5 days out-of-school suspension)

Bus stops shall be no closer together than 0.2 miles unless mandated by safety factors. Once the time and place of a bus stop is established, students should be ready for the bus or coming to the bus. The bus driver will **not** be permitted to wait for the students who are not ready to board the bus. **The bus driver will not blow the horn to alert students that the bus is approaching a designated stop.**

BUS TRANSPORTATION CHANGES

School bus transportation can only be made available to carry students to and from their regular designated stop. Bus space is not available to arrange for students to accompany friends or connect to other activities. If a genuine need for an alternate bus stop occurs, the matter will be handled by the school administration on a case-by-case basis. Any request should be forwarded to the school at least one day in advance when possible. All requests must be in writing and contain the following information:

1. signature of custodial parent or guardian
2. full name of student
3. date of request
4. dates for which the change will be in effect
5. address and identification of alternate stop (ex. 0000 School Road; Johnny Doe's house)

**NOTICE TO PARENTS/COMMUNITY REGARDING INTEGRATED PEST MANAGEMENT (IPM)
CONTROL PROGRAM**

Each school year each school will send out a notice regarding the Integrated Pest Management (IPM) Control Program.

IPM is a comprehensive approach that combines effective, economic, environmentally sound, and socially acceptable methods to prevent and solve pest problems. IPM emphasizes pest prevention and provides a decision-making process for determining if, when and where pest suppression is needed and what control tactics are appropriate.

Through its IPM program, the school district will strive to do the following:

1. minimize any potential health, environmental and economic risks from pests or from the use of pest control methods;
2. minimize loss or damage to school structures or property from pests or from the use of pest control methods;
3. minimize the risk of pests spreading into the community; and
4. enhance the quality of facility use for the school and community.

Pesticide use will not be based *solely* on a monthly schedule by a contracted pesticide company. School personnel in charge of pest management will consider how and when pesticides need to be used to achieve the pest management goals. Each year, the principal or designee will ensure that the student handbook includes the schedule of anticipated pesticide use on the school property and notice to parents, guardians and custodians of their right to request notification of non-scheduled pesticide use. Additionally, the principal or designee shall annually notify school staff of scheduled pesticide use on school property and of their right to request notice of non-scheduled pesticide use. Notice of non-scheduled pesticide use should be made at least 72 hours in advance of such use, to the extent possible.

Title IX
