Reason for Making Request _____

- 1. Please register the student in the county of residence.
2. Parents must submit the transfer request form and the behavior agreement to the Assistant Superintendent at Lee County Schools Central Office located at 106 Gordon Street; Sanford, North Carolina 27330 and not to the requested school principal.
3. All requests for transfers must be made annually. If received after due date transfer may be denied.
4. A Behavior/Academic/Attendance Agreement must be submitted with the transfer request. Violation of the behavior/academic/attendance agreement may result in the recommendation from the principal for the transfer to be rescinded.
5. Out of county student transfers require a release from the superintendent of the school district of residence and must be received by Lee County Schools before the transfer can be approved.
6. Students who do not reside in Lee County and are granted a transfer must furnish their own transportation.
7. The superintendent or designee may approve or disapprove the admission of a non-resident student based upon past behavior and/or scholastic record.
8. All transfers are contingent upon the availability of space as determined to be at 90% of building capacity. Transfer requests to a closed school require Board of Education approval. Policy 4150 D.2
9. The Student Athletic form must be submitted with all high school transfer request.
10. All out of county transfer requests require Board of Education approval and may be subject to annual tuition (Policy 4130).
11. Students receiving first time transfers will not be allowed to participate in middle or high school athletics for 365 days from date of transfer approval as outlined in Policy 3620 A.7.
12. The Lee County School Board of Education will accept transfers that meet the above conditions and the policies set forth by the Board. The Board reserves the right to rescind any transfer, including but not limited to, misrepresentation in presenting the request for transfer.
