Could Your Business Profit From More Than 1,200 New Customers?

How Would You Like To Advertise To Those New Customers For Free?

The LCS Educator Passport program:

- 🌀 Promotes local businesses.
- 🌀 Encourages its more than 1,200 employees to shop at participating businesses.
- 🌀 Offers your contact information free.

All you have to do is offer a discount and/or benefit to employees of the school district when they present their photo ID cards.

Here's How It Works...

- 🌀 Each business sets its own discount or benefit.
- 🌀 LCS includes your listing on the Educator Passport for free.
- 🌀 Employees will show their photo ID card to receive discounts on your products and services.
- 🌀 Your offer can be changed at any time – renewal reminders sent annually.
