

**COLLEGE READINESS/
CAREER READINESS**

COLLEGE TOURS/VISITS

Beginning in the 9th grade, Academy of Business and Finance students start touring colleges to learn about the admissions process, academic requirements, and overall expectations of college students.

This exposure to the college environment helps academy students focus more effectively on their high school academics and extra-curricular activities.

AOBF at Campbell University

**Southern Lee AOBF Students touring
NC State University - at the
State-Of-The-Art Library**

**Southern Lee AOBF Students touring
UNC Chapel Hill - at the Old Well**

The Academy of Business and Finance introduces students to a wide array of careers through the following courses:

- ◆ **Principles of Finance**
- ◆ **Entrepreneurship**
- ◆ **Financial Services**
- ◆ **Insurance**
- ◆ **Financial Planning**
- ◆ **Ethics in Business**
- ◆ **Business in a Global Economy**
- ◆ **Applied Finance**
- ◆ **Microsoft Word/PowerPoint**
- ◆ **Microsoft Excel/Access**
- ◆ **Accounting**

The Academy of Business and Finance Curriculum has been reviewed by business partners who work with teachers and educators to provide opportunities that balance a students' education between school and the workplace. As a result, academy students experience enrichment by learning both inside and outside of the classroom.
