# Agenda Facilities and Technology Committee Heins Education Building Assembly Room, Basement 106 Gordon Street, Sanford, NC 27330 Tuesday, August 22, 2023 4:30pm

- 1. Call to Order-Jamey Laudate
- 2. Approval of 8/22/2023 Agenda-Jamey Laudate
- 3. Approval of 6/20/2023 Minutes-Jamey Laudate
- 4. Technology Equipment Purchases-Rebecca Measamer
- 5. District Webpage Hosting Services-James Alverson
- 6. "Here Comes the Bus" App-Justin Covert
- 7. School Bus Inspection for Lee County Schools-FYI-Justin Covert
- 8. Policy 5030-R-Community Use of Facilities-facility use fee schedule-Dr. Johnnye Waller
- 9. Facilities Update-Chris McNeill
- 10. Adjourn-Jamey Laudate

The next Facilities and Technology Committee meeting is scheduled for Tuesday, September 26, 2023, 4:30pm, Assembly Room, Basement, Heins Education Building.

## Facilities and Technology Committee In Person June 20, 2023

Present:

Rummel, Laudate, Davidson, Dossenbach, Jones, Britt, McNeill,

Waller, Alverson

1. Chairman Alan Rummel called the meeting to order.

2. Approval of 6/20/2023 Agenda-The 6/20/2023, agenda was approved.

3. SLHS Eight Classroom Modular Unit-On June 19, 2023, the Lee County Board of Commissioners approved the purchase of a four classroom modular unit for SLHS. After much discussion, it was consensus of the committee to purchase the eight classroom modular unit for SLHS using 2023-2024 capital outlay funds to make up the estimated \$367,000. In order to use capital outlay funds for the eight classroom modular unit purchase, some of the existing capital outlay projects will be funded by lottery. This item will be placed on the 7/11/2023, BOE agenda under New Business.

The next Facilities and Technology Committee meeting is scheduled for Tuesday, August 22, 2023, 4:30pm, Assembly Room, Basement, Heins Education Building.

There being no further business, the meeting was adjourned at 5pm

## Technology Equipment Purchase 2023-2024 Round 1

The Technology Department is conducting 3 rounds of combined equipment purchases during the 2023-2024 school year. We are bidding all sites together to obtain the best possible service and pricing.

Lee County Schools will teach each student the social and academic skills needed to become a responsible and productive citizen.

Netcom Business Solutions

Dear Todd Jordan:

This letter is to notify you of our decision to accept the proposal for the bids you submitted for:

 6 Windows Laptops, 150 Touch Screen Chromebooks, 1185 Student Chromebooks, 31 Window Desktops

Actual purchases are contingent upon board approval and receipt of purchase order. Please send a separate quote for each site (be sure to use pricing from the original quotes) as they will place individual orders once board approval is received.

Site/Department	Student Chromebooks (Quantity)	Desktop Computers (Quantity)	Staff Touch Screen Chromebooks (Quantity)	Teacher/Staff Windows Laptops

Pricing and availability subject to change without notice. Packaging, Shipping, and Handling fees are not included unless specifically stated. Prices and lease payments do not include applicable taxes. Ship dates are approximations and are not guarantees. Quick ship items not available in Alaska, Hawaii, or outside the United States. Specific state laws may affect shipment of products.

Any order for kiosks must be canceled prior to 21 days from the scheduled date of shipment to avoid incurring a 50% cancellation fee. Any cancellation made within that 21-day window will automatically incur a charge equivalent to 50% of the total kiosk order being canceled.

Howard reserves the right to charge a 25% restocking fee for cancellation of a purchase order after Howard has commenced fulfillment of the order. Howard may, with notice, cancel any purchase order at any time without any liability to the Purchaser. Howard reserves the right to charge the Purchaser full purchase price for delaying shipment of a purchase order for an extended period of time which then results in the cancellation of said order.

Given the current uncertainties related to international trade, Howard hereby reserves the right to unilaterally revise the prices quoted herein in the event its manufacturing or procurement costs for such goods increase due to the imposition by the United States or any other country of new or higher tariff(s) or of any other similar tax, fee or charge.

If Purchaser fails to pay any invoice in full within the time quoted herein, Howard may, without notice, accelerate the due date of all outstanding invoices and require that all outstanding invoices, including any interest thereon, be immediately due and payable in full.

Howard's product warranties and return policies and related information, which are available at https://www.howardcomputers.com/support/warranties.cfm and https://www.howardcomputers.com/support/returnpolicy.cfm, are fully adopted and incorporated herein by reference. These may also be obtained by calling 1-888-912-3151 or emailing webmaster@howardcomputers.com.

THIS QUOTATION IS EXPRESSLY LIMITED TO, AND EXPRESSLY MADE CONDITIONAL ON, PURCHASER'S ACCEPTANCE OF THE TERMS SET FORTH OR INCORPORATED HEREIN; HOWARD OBJECTS TO ANY DIFFERENT OR ADDITIONAL TERMS.

Pricing and availability subject to change without notice. Packaging, Shipping, and Handling fees are not included unless specifically stated. Prices and lease payments do not include applicable taxes. Ship dates are approximations and are not guarantees. Quick ship items not available in Alaska, Hawaii, or outside the United States. Specific state laws may affect shipment of products.

Any order for kiosks must be canceled prior to 21 days from the scheduled date of shipment to avoid incurring a 50% cancellation fee. Any cancellation made within that 21-day window will automatically incur a charge equivalent to 50% of the total kiosk order being canceled.

Howard reserves the right to charge a 25% restocking fee for cancellation of a purchase order after Howard has commenced fulfillment of the order. Howard may, with notice, cancel any purchase order at any time without any liability to the Purchaser. Howard reserves the right to charge the Purchaser full purchase price for delaying shipment of a purchase order for an extended period of time which then results in the cancellation of said order.

Given the current uncertainties related to international trade, Howard hereby reserves the right to unilaterally revise the prices quoted herein in the event its manufacturing or procurement costs for such goods increase due to the imposition by the United States or any other country of new or higher tariff(s) or of any other similar tax, fee or charge.

If Purchaser fails to pay any invoice in full within the time quoted herein, Howard may, without notice, accelerate the due date of all outstanding invoices and require that all outstanding invoices, including any interest thereon, be immediately due and payable in full.

Howard's product warranties and return policies and related information, which are available at https://www.howardcomputers.com/support/warranties.cfm and https://www.howardcomputers.com/support/returnpolicy.cfm, are fully adopted and incorporated herein by reference. These may also be obtained by calling 1-888-912-3151 or emailing webmaster@howardcomputers.com.

THIS QUOTATION IS EXPRESSLY LIMITED TO, AND EXPRESSLY MADE CONDITIONAL ON, PURCHASER'S ACCEPTANCE OF THE TERMS SET FORTH OR INCORPORATED HEREIN; HOWARD OBJECTS TO ANY DIFFERENT OR ADDITIONAL TERMS.

#### Additional Comments

Please Note: HP, Inc. has a zero returns policy on custom build PCs. Ink and toner are also considered non-returnable. For these products, orders are non-cancellable and non-returnable from point of order.

Hardware items on this quote may be updated to reflect changes due to industry wide constraints and fluctuations.

Please note, if Emergency Connectivity Funds (ECF) will be used to pay for all or part of this quote, please let us know as we will need to ensure compliance with the funding program.

Thank you for choosing SHI International Corp! The pricing offered on this quote proposal is valid through the expiration date set above. To ensure the best level of service, please provide End User Name, Phone Number, Email Address and applicable Contract Number when submitting a Purchase Order.

SHI International Corp. is 100% Minority Owned, Woman Owned Business. TAX ID#22-3009648; DUNS#61-1429481; CCR#61-243957G; CAGE 1HTF0

The Products offered under this proposal are resold in accordance with the <u>SHI Online Customer Resale Terms and Conditions</u>, unless a separate resale agreement exists between SHI and the Customer.

# Request for Proposal (RFP)

Publishing platform, website, mobile app, mass notification, two-way messaging system, and social media integration from a single vendor for Lee County Schools

#### Introduction:

Lee County Schools is seeking proposals from qualified vendors to provide tools that improve the district's ability to communicate with families and other community stakeholders. The purpose of this Request for Proposal (RFP) is to solicit competitive bids for a 3-year contract with two 1-year optional extensions. The contract start date is July 1, 2024, and the fiscal year and contract dates will run from July 1 to June 30.

We know that our families are inundated with information from a variety of communication channels. We are hoping to build a one-stop shop for our families and reach them where they receive the majority of their communication, on a smartphone, while simultaneously updating and providing information to stakeholders that do not have children in the system via website updates and social media.

For these efforts to succeed, communication needs to be as easy as possible for administrators and district staff. If we can simplify getting the word out, we will be able to share more positive stories and enhance the brand of Lee County Schools by equipping each campus to promote itself. For this, we are looking for a publishing platform that will allow us to manage all communication channels from one place. This platform must provide a website, mobile app, mass notification system, and social media posting capabilities. We are seeking a single vendor to manage all deliverables in this request.

#### Schedule:

The following schedule outlines the important dates for this RFP process:

6/16/2023: Release of RFP

• 7/7/2023: Last day to submit questions

• 7/21/2023: Bid due date (contract must be submitted with the bid)

- 7/27/2023: Virtual demos for vendors that submit a bid, presented before a review committee review
- 7/27/2023: Vendor selection
- 8/2023: Present selected vendor before the Facilities & Technology Committee and the Finance Committee
- 9/2023: Presentation before the Board of Education (BOE) for approval

### Scope of Work:

The selected vendor will be responsible for providing reliable and secure services for Lee County Schools in several areas. The scope of work includes but is not limited to:

- Hosting and maintenance of the school district's website and associated web applications.
- Ensuring high availability and uptime of the website.
- Implementing robust security measures to protect against unauthorized access and data breaches.
- Regular backups and disaster recovery procedures to minimize data loss.
- Scalability to accommodate potential growth in website traffic and content.
- Technical support and troubleshooting services.
- Compliance with all applicable laws and regulations regarding data protection and privacy.
- Content migration from the current provider/platform must be included at no additional cost, or must be included in the total cost of the website.
- Must complete documentation required by NC Department of Public Instruction (NCDPI) for third-party data synchronization. Applicable information and forms can be found here: <a href="https://www.dpi.nc.gov/about-dpi/technology-services/third-party-data-integration">https://www.dpi.nc.gov/about-dpi/technology-services/third-party-data-integration</a>

#### A. Website

- 1. Must be the vendor's proprietary Content Management System (not open source) that is built specifically for K-12 school districts.
- 2. Fully customizable design at no additional cost (unlimited design and consultation hours included).
- 3. Fully customizable campus website designs at no additional cost (unlimited design and consultation hours included).
- 4. Fully responsive design for all modern browsers and devices.
- 5. At least once per year, must offer a complete redesign of the website at the request of the district, at no additional cost.
- 6. Must be hosted with Amazon Web Services or equivalent service in terms of security and reliability.
- 7. Must contain a fully native internal website search (no external embeds, i.e. Google).

- 8. Must include the ability to include pop-up alerts through the website for emergency notifications.
- 9. Must have ability to incorporate full-screen mega menus to build consistent navigation between desktop and mobile use.
- 10. Must include a fully native, social media-like feed on the homepage and each school site's homepage, which shares content with the district social media accounts.
  - a. Must not be an embedded social media feed and must function without any social media integrations.
  - b. The feed must be translatable with the same functionality as the rest of the site.
  - c. Users must be able to open up images in a popup without being redirected away from the page.
- 11. Native website translations without any change to the visual appearance of the site (i.e. no Google Translate header, or similar)
- 12. Must be ADA compliant and contain guardrails to ensure the district remains in compliance (i.e., required alt-text for all images, pre-set font properties, etc.). If an additional plugin is required to maintain ADA compliance, the plugin cost must be included in the total for website cost. It may not be listed as optional.

# B. Mobile App

- 1. Must include a fully native mobile app for both iOS and Android.
- 2. The app must be custom designed according to the district brand.
- 3. The app must have completely separate sections for each campus. Users should be able to switch between schools from every screen with no more than two clicks.
- 4. Must include the ability to send push notifications to individual, personalized groups, which the users may select.
- 5. Must include a fully native, social media-like feed on the homepage and each school's section of the app, which shares content with the district social media accounts. This must not be an embedded social media feed and must function without any social media integrations. Posts need to have the capability to show up to four images. All images should be clickable to enlarge (not simply linking out to social media sites/apps).
- 6. Must include native content sections for the following functionality. A link to the website is not acceptable/sufficient.
- a. News
- b. Staff Directory
- c. Calendar
- d. Lunch/Breakfast Menus

- e. Documents
- f. Forms
- 7. Must automatically translate into the user's default language according to their phone's settings.

# C. Two-Way Messaging Within the App

- 1. Two-way messaging and classroom messaging must be fully integrated within the mobile app.
  - a. Users can access messaging from any screen within the app with 1 click.
  - b. Messaging is native within the app and not a third-party embed.
- 2. App must support logins for all parents, guardians, and students.
- 3. App must allow for direct two-way messaging and push notifications for parents and students.
- 4. Messaging must be branded for the District, not for third-party organization or company (100% white labeled).
- 5. App must provide direct translation capabilities for two-way messaging.
- 6. Parents/guardians can switch between all of their children/students without logging out.

#### D. Publishing Platform

- 1. Single publishing platform/CMS must power the website, mobile app, mass notification system, and social media. Must be provided by a single vendor.
  - a. Must have the ability to send a message from one interface and with one click to: the district website, mobile app, Instagram, Twitter, Facebook, and as a text message and phone call.
  - b. Must include the option to send messages to the district and multiple campuses at once, connected to each campus Facebook, Twitter and Instagram page; as well as update each campus homepage and app section.
  - c. Must include approval process for messages and posts. Monitored users can submit messages that are approved by a designated approver before going live. Must have the ability to map each user to an individual approver.
- 2. Must include a native news/blog section.
  - a. Must include the option to send posts to the district and multiple campus pages at once.
  - b. Must have the ability to share a link and thumbnail to Facebook and Twitter when posting. This should share to all the social media pages of all selected schools.
- Must include an event calendar that syncs with an unlimited number of district Google/Microsoft Calendars. Users must also be able to add in events manually.
  - a. Must include multiple views for dates (a standard monthly calendar view and a scrolling date view) on both website and app.

- b. Must include the ability to add an address to any event and provide directions from a user's location from the mobile app.
- c. From the app, users must be able to add an event directly to their personal calendar without copying and pasting the information.
- d. Ability to share an event using native iPhone/Android functionality.
- 4. Must include an athletics section that will show the dates for all games.
  - a. This section must have individual subsections for each team, with a schedule for all of their games within the subsection, as well as the team's overall record and scores for each game.
- 5. Must include a staff directory with uniformed design which can be updated via batch uploads. Staff should be filterable by department and building and must have the ability to feature name, photo, title, department, phone number, email address, and website.
  - a. On the website, you must have the ability to hide the email address.
  - b. Must also have the option to use a contact form for each staff member instead of revealing the email address. Contact form must be spam-proof.
- 6. Must include a fully native breakfast/lunch menu. We do not want to upload individual PDFs for every month and do not want to link to a third-party.
- 7. Must include native document storage, working with similar functionality to Google Drive. The document storage must be able to accept all document formats. It must also be able to support multiple folders and subfolders.
  - a. Each document must automatically generate a shorthand URL (bit.ly for example).
  - b. Shorthand URL must track number of visits.
  - c. Ability to update/replace documents without changing the document URL.
- 8. The platform must include native forms which can be used for surveys, permission slips, etc. with easily accessible results. Forms need to be natively published to both website and app with a single click (no embedding necessary).
- 9. Must include a mass notification system.
  - a. The mass notification system must have the capability to send phone calls, emails, and text messages to all contacts registered within the district SIS and additional upload/syncs with other systems.
  - b. Pricing of this proposal must include unlimited text messages, calls, and emails.
  - c. Text messages must allow at a minimum 280 characters.
  - d. The system must give the option to send mass text messages and phone calls while posting the same message to the district website, app, and social media accounts simultaneously.
  - e. The system must sync with our SIS multiple times per day in order to keep all information up-to-date.

- f. Must provide the option to set up recurring messages (such as attendance notifications) that can be customized with variables such as student names, dates, etc.
- g. Must provide the option to send a call with either text-to-speech or a recorded live voice.
- h. Recording a voice call must happen directly through the browser (no need to call in/be called on a phone).
- i. Must include the ability to easily be translated to any guardians preferred language listed within our SIS. These translations must have the option to be edited by fluent speakers.
- j. Must include detailed analytics, including the cause of any call/text failure, with the ability to narrow down these analytics to an individual contact.
- k. Must include the ability to add a user to a "Do Not Contact" list for some or all of their registered modes of contact.
- I. All messages must be easily identifiable as district-generated (ex: using the district's number for calls). Must allow us to set up numbers for each school.
- m. Must be able to generate lists of contacts through data filters within the system. For instance, the district must be able to parse down a list of all third grade guardians to a list of all third grade guardians whose primary language is Spanish.
- n. Email editors must allow HTML code / embed of content.
- 10. Platform includes the backend for two-way messaging as outlined above.
  - a. Messaging tools must provide administrative oversight into teachers & staff messaging at the discretion of the district.
  - b. All messages are stored, archived, and accessible.
  - c. Classes are set up automatically via SIS sync or SSO.
  - d. Ability to add an unlimited number of other groupings such as activities, athletics, etc.
  - e. Must have the ability to integrate with Google Classroom for announcements and assignments.
  - f. Teachers must have the ability to share management over a class.
- 11. The page editor must include a draft mode for any page as well as built-in preview of pages by different device types.
- 12. Must be able to design webpages with "drag and drop" layout and content elements in a "What you see is what you get" page editor.
- 13. The page editor must also include the ability to add custom HTML, CSS, and Javascript.
- 14. All images that are added to the website must require alt-text.
- 15. All images must be editable while still retaining aspect ratio and without stretching the image.
- 16. Must be able to embed videos from YouTube or Vimeo without requiring embed code.
- 17. District users must be able to edit the overall site menu down to three levels.

- a. The CMS must allow users to create new menu items in draft mode. This draft mode must hide all content listed under a drafted heading.
- b. Must include roles and permissions for individual users, which will be set on a per-school and per-page basis.

### E. Mobile Backend

- 1. Provide an app that will allow us to send a message to the district website, app, and Facebook, Twitter, and Instagram, as well as send a text and call, all at the same time.
- 2. The mobile backend must allow for sending to one school site or multiple sites. If multiple are selected, it must update all connected Facebook, Twitter, and Instagram pages as well.
- 3. The mobile backend must have the same call/text lists as the desktop publishing platform.
- 4. App must include the ability to record a call from the app (without having to call/be called).
- 5. The app must also include the ability to publish long form articles to the "news" section.
- 6. Administrators must be able to approve posts-to-be-published from the app.
- 7. Authorized district users must be able to add events to the calendar from the app.
- 8. Authorized district users must be able to update scores for the athletic section of the app.
- 9. Teachers must be able to log in to message their classes, students, and parents/guardians.

# F. Training and support

- 1. Full training and support must be unlimited for any district user, at any time throughout the contract.
- 2. We expect there to be approximately 200 power users who will on average contact support once a week and will expect an individual 1:1 training once or twice a school year. Please confirm that this amount of training and support will be included.
- 3. 1:1 teacher training fully included for all teachers.
  - a. Company must commit to unlimited and ad hoc 1:1 training with every teacher at the district for no added cost.
  - b. Unlimited 1:1 zoom calls or immediate chat support for every staff member, teacher, and coach.
- 4. Training must be conducted and recorded via Zoom or Google Meet sessions in order to retain individualized instructions for trained users.
- 5. Must provide an online library of help documents for district users.
- 6. Must provide full, comprehensive ADA Training for all users, free of additional charge.
- 7. Must provide a dedicated contact at the company for the district, who may be reached after hours in the case of an emergency.
- 8. Must have an average response time to any reported incident of under a minute.
- 9. Must include a live, online chat for support, as well as a phone number and email.
- 10. Chat support must be available from within the publishing platform.

- 11. Support must include a manual sweep of the website every month for any accessibility issues.
- 12. The company must help the district with promotional materials to advertise the new website and app.

#### Proposal Submission:

Interested vendors are requested to submit their proposals in accordance with the following guidelines:

- The proposal should include a completed copy of the contract, which will be provided as an attachment to this RFP.
- The proposal should clearly address each section of the contract, providing detailed information and a comprehensive approach to meeting the requirements.
- Any additional information, such as case studies, references, or certifications, should be included to support the vendor's qualifications.

The proposal must be submitted electronically via email to the following contacts:

• James Alverson: jalverson@lee.k12.nc.us

• Rebecca Measamer: rmeasamer@lee.k12.nc.us

• Rebel Hunter: rhunter@lee.k12.nc.us

Proposals must be received no later than the bid due date specified in the schedule.

#### Evaluation Criteria:

Proposals will be evaluated based on the following criteria:

- Experience and qualifications of the vendor in providing web hosting services.
- Technical capabilities and infrastructure to support the school district's requirements.
- Proposed pricing structure and cost-effectiveness.
- Quality of proposed security measures and data protection protocols.
- Availability of technical support and response times.
- Compliance with applicable laws and regulations.
- Contract Terms and Conditions:
  - The contract terms and conditions will be provided as an attachment to this RFP. Vendors must carefully review the contract and ensure compliance with all terms before submitting their proposals.

#### Point of Contact:

All questions and communications regarding this RFP should be directed to: <a href="https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X">https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X</a> <a href="https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X">https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X</a> <a href="https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X">https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X</a> <a href="https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X">https://docs.google.com/forms/d/e/1FAIpQLSfXZZ6C4K-ykg88QLKZcSoZCg7-z5Dg8SXB4X</a>

## Disclaimer:

This RFP does not commit Lee County Schools to award a contract, to pay any costs incurred in the preparation of a proposal, or to procure or contract for services. The school district reserves the right to accept or reject any or all proposals received as a result of this RFP process, to negotiate with all qualified sources, or to cancel the solicitation at any time if it is in the best interest of the school district.

We look forward to receiving your proposal.

Sincerely,
James Alverson
Public Information Officer
