

Quia, which is short for Quintessential Instructional Archive, provides a variety of classroom tools, including, but not limited to:

- Templates for creating 16 types of online activities using your own content.
- A complete online testing system with automatic grading, immediate feedback, and detailed reporting.
- Online surveys for gathering student and teacher feedback.
- A class Web page creator to share Quia activities and class announcements with students and parents.
- Access to millions of shared activities and quizzes in over 300 categories.

To access Quia:

1. Go to <http://www.quia.com/web>

The image shows the Quia login interface. At the top, there is a blue header with the Quia logo (a white oval with a star and the word 'QUIA') and the text 'Create your own...'. Below the header, the main content area is light blue and contains the text 'Welcome to Quia'. There are two input fields: 'Username' and 'Password'. To the right of the 'Password' field is a blue 'Log in' button. Below the input fields, there are four links: 'Forgot username?', 'Forgot password?', 'Can't log in?', and 'Create account'.

You must be added to the Lee County Schools instructors list in order to create an account. Contact Mary Tatum and she will gladly set that up for you. Email: mtatum.ls@lee.k12.nc.us
