

View assignments

On the Assignments page, you can review student work for any assignments as well as any grades or previous comments. You can also see which assignments you need to review as well as those you've already reviewed. You can organize the assignments by class or view everything you've assigned across all classes.

To view assignments:

1. Sign in to Classroom at classroom.google.com.
2. Click  and select **Assignments**.

The Assignments page has two sections:

- To Review—Class assignments that are not reviewed
- Reviewed—Class assignments that are reviewed

To mark an assignment reviewed:

1. Sign in to Classroom at classroom.google.com.
2. Click  and select **Assignments**.
3. Click  on an assignment and select **Mark as reviewed**.
