

View a Class Calendar

Classroom creates a calendar for all classes, and work with a due date is automatically added to the class calendar. You can view the calendar in Classroom or in Google Calendar on your computer and mobile devices.

If you don't see your class calendar in Google Calendar, it may not be created yet. Add a post to the class stream to create the calendar.

1. Sign in to Classroom at classroom.google.com.
2. Click  and click **Calendar**.
3. On the calendar, click an assignment to access it on the Student Work page, or click a question to access it on the Student Answers page.
4. (Optional) Click the date arrow to view work for previous or coming weeks.

To filter events for a class:

1. Sign in to Classroom at classroom.google.com.
2. Click  and click **Calendar**.
3. Click **All classes**.
4. Click the class you want to filter events for.

Only work for the class you selected is shown.

Note: To view a class calendar in Google Calendar, go to the class **About** page, and click **Open in Google Calendar**. If you don't see your class calendar in Google Calendar, it may not be created yet. Add a post to the class stream to create the calendar.
