

# View and Comment on Answers

1. Sign in to Classroom at [classroom.google.com](https://classroom.google.com).
2. Select the class to open the stream.
3. Click the question.
4. Click a student's name to see their complete answer.
5. If you used Forms to ask a question, click **View responses in Sheets** to view a spreadsheet of responses. If the form doesn't have a response sheet, you can create one in Forms.

For details on grading and returning answers, see [Grade and return a short answer question](#).

6. (Optional) To comment on an answer:

1. Under the answer, click .
2. Enter your comment and click **Post**.
