

## Office Hours

Lee County Schools is excited to offer office hours for all quarantined and/or Homebound students in grades K-12 to ensure students remain on track with assignments and curriculum being taught in schools. The links to access these virtual meetings can be found by [CLICKING HERE](#). The Lee County Schools' email address assigned to each student must be used to access this information. Office hours are provided by certified teachers throughout the district and they will serve students at all schools. All school and district rules/policies should continue to be followed during office hours.

**[CLICK HERE](#) to access Google links for office hours.**

*You must use a Lee County Schools' student email address to access links.*
