FOR IMMEDIATE RELEASE

COVID-19 VACCINATION CLINIC UPDATE

LEE COUNTY, NC – February 7, 2022 – The Lee County Health Department will transition our COVID-19 vaccination clinics to the Lee County Government Center, located at 106 Hillcrest Drive, beginning February 14th. COVID-19 vaccination clinics will be on the following days and times weekly:

- **Mondays** 1:00pm – 4:00pm
- **Wednesdays** 1:00pm – 4:00pm
- **Fridays** 1:00pm – 4:00pm

We will administer the Pfizer-BioNtech vaccine on Mondays and Wednesdays and administer the Moderna vaccine on Fridays only.

Scheduling an appointment is best practice as the vaccines must be thawed ahead of time to prevent waste. If you are interested in receiving your COVID-19 vaccine or booster vaccine, please call 919-842-5744 or pre-register at <https://leecountync.seamlessdocs.com/f/51qttbttfzos>.

Heath Cain, Health Director of the LCHD said, “We will continue to provide COVID-19 vaccinations to anyone who is interested in receiving the vaccine and this transition ensures a spot for your shot on the designated days and times mentioned above. Continuing to provide this vaccine aids in protecting the health of everyone in our community.”

For additional information concerning our COVID-19 response, call the Lee County Health Department at (919) 842-5744; media questions may be directed to Hailey Hall with Lee County Government at (919) 718-4605 ext. 5521 or hhall@leecountync.gov.
