Make a difference

Verse 1:
Everyone has got a chance to; make a difference big or small
Everyone can give a little, for the good of one and all.
Opportunities knock every minute, they’re coming along
Everything that we face together helps to make us close to make us strong
We are strong together

Chorus/Refrain:
We can make a difference, we can lend a hand
We can make some changes, when we take a stand
If we put our heads together we can find a better way
If we put our hearts together we can make a difference today, we can

Verse 2:
Everyone has things to offer, that could help so many ways
Everyone can make an effort, working toward some better days
Look around and you’ll see lots of chances, just look anywhere
All the things that we do together, living, working, showing how we care
How we care together

Chorus/Refrain:
We can make a difference, we can lend a hand
We can make some changes, when we take a stand
If we put our heads together we can find a better way
If we put our hearts together we can make a difference today, we can

(Slow down here!!)
We can make a difference, yes we can, today!
