

## Locating Elementary Student NCEdCloud Logins

1. Teachers login to their NCEdCloud account – **Use this URL address, don't use past links** to PowerSchool or HomeBase and let redirect. This can cause problems even if it allows you to login. <https://my.ncedcloud.org>
2. Select the Profiles Page
3. Select My Students Tab – (Located in Left Navigation Bar-Profiles)  
Student PowerSchool logins and passwords are displayed here.
4. Student Passwords can be changed by the teacher. Schools may have guidelines set for changing student passwords.

5. This list can be exported and printed.

6. Do not forget to Log Out and Close the entire Browser when finished.
