

# IAM NCEdCloud Elementary Student Login and Navigation SchoolNet and PowerSchool Login

1. NCEdCloud – *Use this URL address, don't use **past links*** to PowerSchool or HomeBase and let redirect. This can cause problems even if it allows you to login.

<https://my.ncedcloud.org>

2. Enter the Username & Password given by your teacher.

**Elementary Students DO NOT Claim an Account**

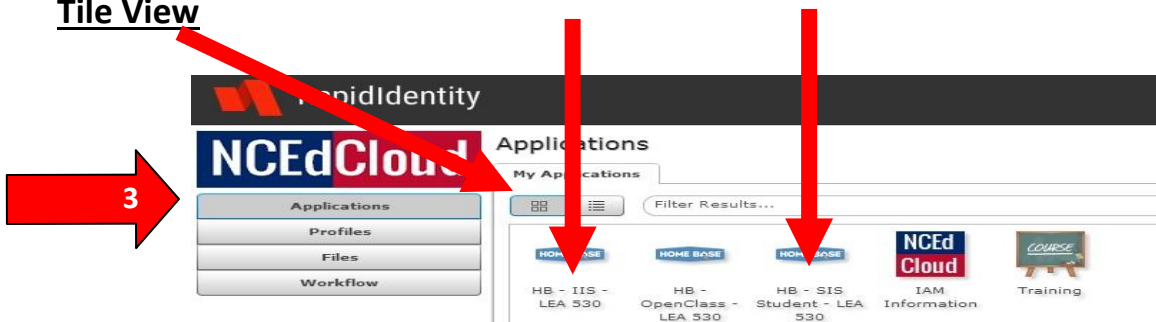

3. Applications Page – Students may not be able to access all applications, but the page is intended to hold links/applications to various programs assigned the state and district. This allows for a single sign-on, so the user will not have to keep up with multiple usernames and passwords.

\*\* Select the application choice. –

Example: **HB SIS Student** links to attendance and grade book.  
**HB IIS** links to the School Net assessment program.

## Tile View

4. Students should Log Out and Close the entire Browser finished.
