Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in W. B. Wicker Elementary, I am writing this letter to let you know that W. B. Wicker Elementary, has been designated as a low performing school by the North Carolina State Board of Education. As defined in G.S. 115C-105.37: "The State Board of Education shall design and implement a procedure to identify low-performing schools on an annual basis. Low-performing schools are those that receive a school performance grade of D or F and a school growth score of "met expected growth" or "not met expected growth" as defined by G.S. 115C-83.15." The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a Low-performing school, W. B. Wicker Elementary will develop a comprehensive School Improvement Plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call your child's teacher if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website and social media sites: <https://www.lee.k12.nc.us/Domain/3466>

Sounds like a lot but preparing our students so that they can succeed is not easy and is a group effort. Here are some resources available to help:

- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
- State student achievement test results: www.ncpublicschools.org/accountability/
- N.C. School Report Cards: <https://ncreportcards.ondemand.sas.com/src>

We're excited about this school year and are working to make it a success for your student.

Sincerely,

Aimee Petrarca, Principal
